Miami, Florida, June 05, 2025 (GLOBE NEWSWIRE) -- **Inside The Gate: How the Super Wealthy Built Generational Wealth and Technology Is Rewriting the Rules**

SkyGate Growth Strategies is proud to announce the launch of its SkyGate Webinar Series, kicking off on June 17, 2025, with an exclusive and timely conversation featuring Michael Stern, Founder and CEO of JDS Development Group—one of the most visionary and successful real estate developers in the United States.

The inaugural webinar, titled "**Inside The Gate: How the Super Wealthy Built Generational Wealth and Technology Is Rewriting the Rules**" will explore the rapidly growing movement to democratize access to elite investment opportunities, particularly in luxury real estate—an asset class historically dominated by institutional players. Michael Stern has spent his career building iconic, skyline-defining developments across the country. Backed by partnerships with global banks, sovereign wealth funds, and prominent billionaires, JDS Development has delivered a powerful track record of innovation and outsized returns. As the industry

evolves, so does Stern's vision. He now sees a future in opening up access to qualified individual investors—allowing them to participate in deals once exclusive to Wall Street titans.

Through a new partnership with SkyGate Growth Strategies, JDS is expanding access to its luxury real estate projects to a broader audience of qualified participants, aligning with emerging trends in investor inclusivity.

In today's evolving economic climate, there is growing interest in sectors like real estate that offer tangible asset exposure and long-term development potential. This webinar will explore how the democratization of capital is changing the landscape—and why luxury real estate may be the next frontier.
